- **Care Management Fee includes:** reviewing the care recipient's home care agreement and care plan, coordinating and scheduling care and services, ensuring care and services are aligned with other supports, liaising with the care recipient and the care recipient's representatives, ensuring that care and services are culturally appropriate, and identifying and addressing risks to the care recipient's safety; *not completed by a Registered Nurse.*
- **Package Management Fee includes:** Ongoing organizational activities associated with ensuring the smooth delivery and management of your home care package.
- **Income Tested Care Fee:** This fee may apply if you are a self-funded retiree or part pensioner. Services Australia determines whether you are required to pay this fee and the amount of the fee. Refer: <https://www.servicesaustralia.gov.au/individuals/forms/sa456>
- **GST:** Rates are GST exclusive. GST is charged at the rate of 10% where applicable. Most services are GST-free.
- **Agreed annual price increases:** The fees and charges specified above will increase with effect from 1 July each year by the greater of 5% and the percentage change in CPI (All Groups, Melbourne) for the prior period 30 June to 1 July, unless we notify you that a reduced fee or charge is to apply, or we agree to an Alternate Charge. Each year we will provide you with a revised Standard Pricing Schedule incorporating the new fees and charges that are to apply until the next change. This does not limit an additional variation under another provision in your Home Care Agreement.
