Notes:

- **Care Management Fee includes:** Assessment, care planning, monitoring, reviews, coordination of services and/or supports, and risk management and minimization, not completed by an RN. This may be provided face-to-face or via phone or email.
- **Package Management Fee includes:** Ongoing organizational activities associated with ensuring the smooth delivery and management of your home care package.
- **Income Tested Fee (ITF)** may apply if you are a self-funded retiree or part pensioner. Centrelink determines whether you are eligible to pay this fee and the amount of the fee. Refer: <https://www.servicesaustralia.gov.au/individuals/forms/sa456>
- **GST:** Rates are GST exclusive. GST is charged at the rate of 10% where applicable. Generally, most services are GST-free, except for materials, and third-party products, services and consumables.
- The fees and charges specified above will change with effect from 1 July each year by the greater of 5% and the percentage change in CPI Melbourne for the prior period 30 Jun to 1 July, unless we notify you that a reduced fee or charge is to apply or we agree to an Alternate Charge. Each year we will provide you with a revised Standard Pricing Schedule incorporating the new fees and charges that are to apply until the next change. This does not limit an additional variation under another provision in your Home Care Service Agreement.
